

APPLICATION FOR HEIGHT APPROVAL OF A PERMANENT STRUCTURE in the vicinity of the Mackay Airport

Enquiries: Airport Safety Officer
Email: aso@mackayairport.com

Phone: 0418 570 233

For all proposals the following information must be supplied:

	NAME	ADDRESS	CONTACT NO.	EMAIL
OWNER				
BUILDER				

Maximum height of proposal (Australian Height Datum – AHD) to be reached by structure (e.g. when crane boom is at its highest elevation) including all attachments such as aerials, lighting protection devices, lights etc.

Top RL: _____ meters AHD

Location/Real Property description of site: _____

Street Address: _____

Description of structure or building (e.g. mast, multistorey, hotel etc.) _____

Coordinates in latitude and longitude 4326 DMS or WGS-84 format: _____

Airservices AIS will require aerodrome operators and other obstacle originators to provide any new aerodrome obstacles in a NOTAM with a latitude and longitude position (WGS-84 or WKID: 4326 DMS format, 1/100th of a second e.g., 321401.25S 1452710.56E).

Elevation Drawings to be provided with application form. Plan drawn to scale showing the following:

- Property boundary and distance to nearest street corner;
- North point;
- Street name and block/lot number; and
- Location (shown in WGS-84 or WKID: 4326 DMS format 1/100th of a second) and RL (AHD) of the highest point reached by structure. WGS-84 or WKID: 4326 DMS: _____

For a construction crane, a site plan of the project showing the maximum height to be reached by the crane (AHD) and its accurate location on the site will suffice. If more than one crane is to be used, each crane must be identified by a number.

Please note:

A separate height approval is required for each crane. Mackay Airport reserves the right to request a surveyed height of any permanent structure to confirm details above are accurate. Dependent on height & location, the application may take up to 8 weeks to process, if the height infringes airspace and is over the Obstacle Limitation Surface (OLS) & Procedure for Air Navigation Services – Aircraft Operations (PANSOPS).

Any additional information: _____

PLEASE ENSURE ANY ADDITIONAL INFORMATION & BOTH PAGES OF APPLICATION FORM ARE ATTACHED WHEN SENDING.
FORM MUST BE SUBMITTED TO MACKAY AIRPORT 48 HOURS PRIOR TO OPERATION.
