Monthly passenger numbers increased 6% in September. Airlines are filling more seats and the monthly load factor on all flights increased by 5% to 71%.

Feather boa traffic increased 100% due to Elton John's concert on September 22<sup>nd</sup>! This fabulous event helped increase passenger numbers in the latter part of the month, adding to the solid growth across the whole month. Also contributing was a shift of passengers to Mackay following the suspension of Virgin Australia flights to Moranbah.

Growth in recent months has now delivered a small increase in the rolling annual passenger total.
